PR Guru

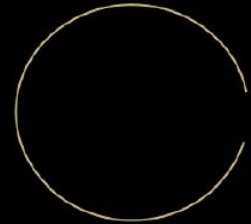

Cygalle Dias leverages her 30 years of experience as an Entertainment PR Specialist and Socialite to bring her clients the most exclusive platforms to showcase their brands and expand their networks.

CDLM Events provides their clients the lifetime opportunity to gain fabulous digital content with celebrities, executives, investors, models, and well-known figures from the entertainment and fashion industries. Furthermore, they provide the opportunity to build relationships with a niche, high-level network.

We funnel our network by creating tailored events for international social groups and individuals who travel & and participate in exclusive invite-only events.

Conversely, we help them by bringing them the best investment opportunities by presenting them with partners who we believe cater to their needs which are, finding the most robust firms in Tech, Fashion (FinTech, Fashion Tech, etc.), CBD. As well as any firms we define as “truly cutting-edge”.
